## Profile

Front-End Developer with **3+ years of hands-on experience** in building **scalable, high-performance, and responsive web applications** using **Angular, TypeScript, and JavaScript**. Proficient in **UI/UX development, REST API integration, and cross-browser compatibility**. Passionate about **clean code, performance optimization, and delivering secure, user-centric digital solutions** following **Agile development practices**.

## Technical Skills

- **Frontend Frameworks:** Angular, TypeScript, JavaScript, RxJS.
- **UI Development:** HTML5, CSS3, Bootstrap, Responsive Design.
- **Version Control:** GitHub, GitLab
- **Other Skills:** REST API Integration, Cross-Browser Compatibility, Performance Optimization

## Experience

### RUPEESEED TECHNOLOGY VENTURES LTD | JULY 2022 - PRESENT

- Developed and maintained **front-end modules** for financial web platforms using **Angular, TypeScript, and RxJS**.
- Implemented **responsive UI components** adhering to UX design guidelines using **Bootstrap and Angular Material**.
- Enhanced application load time and optimized DOM rendering using **lazy loading** and **change detection strategies**.
- Collaborated with backend and QA teams in **Agile sprints**, ensuring timely delivery of features.

### IGAP TECHNOLOGIES PVT. LTD, KOLHAPUR | TRAINEE WEB DEVELOPER (INTERN) | OCTOBER 2021 – MARCH 2022

- Assisted in developing **Angular-based single-page applications (SPAs)** using **TypeScript and Bootstrap**.
- Created **responsive layouts** with HTML5, CSS3, and Flexbox Grid systems.
- Supported debugging, code review, and unit testing to maintain quality standards.

## Projects

### BANK OF BARODA

- Developed **responsive and secure UI** for internal web tools using Angular.
- Integrated **REST APIs** to fetch and visualize real-time banking data.

### STOXKART

- Designed and implemented **dynamic Angular components** for live stock market dashboards.
- Integrated **multiple APIs** to display **real-time financial analytics**.

## SINGLE PRODUCT E-COMMERCE

- Built a **front-end e-commerce application** with **Razorpay Payment Gateway integration**.
- Designed a **clean, responsive UI** for seamless user checkout experience.

## Education

**B.SC. IN INFORMATION TECHNOLOGY | MARCH 2019 | SWAMI VIVEKANANDA COLLEGE, KOLHAPUR**

## Skills & Abilities

- Strong expertise in **Angular and TypeScript** for dynamic single-page application (SPA) development
- Skilled in **UI/UX enhancement**, ensuring seamless and intuitive user experiences
- Proficient in **responsive web design**, ensuring compatibility across multiple devices and browsers.
- Focused on writing **clean, maintainable, and modular code** following best practices.
- Proven ability to **optimize front-end performance**, reduce load times, and enhance responsiveness
- Experienced in **integrating RESTful APIs** for data-driven web solutions
- Adept at **collaborating in Agile teams**, managing code repositories with Git, and participating in sprint planning
- Strong problem-solving and debugging abilities.

## Achievements

### Pinnacle Award – Feb 2024

- Recognized for outstanding contributions to **front-end optimization** and **Angular UI development**.
- Successfully implemented **responsive architecture** that improved performance and usability across platforms.
